JESSE M. HAWKINS, Clerk Circuit Court Iron County, Mo.

CAN we call back prosperity by shutting off trade with our neighbors? The belief that we can is voiced by the Fordney tariff Republicans.

WITH Gov. Small under indictment in Illinois, Senator Newberry freed from a two-year prison sentence by a technicality, and a lot of lesser lights in the shadows, the g. o. p. is surely the Moses to lead us out of the wilderness into the blest land of Canaan.

WITH oppressive laws come secret political organizations. Hence the revived Ku Klux Klan. Wipe out infringement upon personal liberty, return to the precepts of the Fathers, and Klan organization of decent, responsible membership will disappear. And don't let us forget that despotism may attend republicanism as well as monarchy rule.

FAMILIAR to all Christians is the declaration that it is easier for a camel to pass through the needle's eye than for a rich man to enter the Kingdom of Heaven. But it doesn't mean anything these days, either to the clerical or laity. Old John D. Rockefeller's millions do not make him taboo, in the eye of the church; on the contrary he is put in the lead in the heavenward procession. Such things are well enough, perhaps, but the common sinner, with need on the threshold, sometimes finds them difficult of Christian understanding.

THE entire contents of the issue of the Searchlight, the independent monthly at Washington, for September 30, was devoted to "The Truth About This Administration." It controverts by facts and figures the alleged "savings" of this administration and shows that President Harding's predicted "saving" of \$350,000,000 on the basis of alleged "saving" in the Shipping Board would develop into a deficit of something like \$1,750,000,000. It also shows that by a "juggling" of figures in the second deficiency bill military appropriations made during this session are to be charged back to the preceding Congress. All other appropriations currently made are to be charged ahead to the next session of Congress after this. From advance sheets it may be predicted that this is the most comprehensive and important revelation—it actually borne out by the facts—yet made of how government is conducted under this administration.

"THE Sabbath command is only one of the precepts of the Bible. Why single out 'Sabbath observance' as a subject for legislation, and neglect other things that the Bible commands? For instance, the Bible tells us that 'the tenth shall be holy unto the Lord.' This is as plain as the command respecting the Sabbath. But would those favoring a compulsory Sunday law favor a law compelling all to give a tenth of their income for religious purposes? Quite a general protest would doubtless be raised against such a law. But why should the state be asked to pass a law requiring a person to give one seventh of his time for religion, any more than to give one tenth of his income for religious purposes? One is no more out of place than the other." So says "Liberty" in its opposition to the efforts of fanatical advocates to compel by law an observance of Sunday. But those people will be the last to obey the command to give up the tenth. While they are vigorously counseling you and me to lay up our treasures in heaven, they are keenly looking after their treasures here below. They do not bar the dollar, although the love of it is proclaimed to be the root of all evil.

### The American Legion.

I wish to thank, in behalf of the Edward Wendell Post, No. 84, all the Ex-Service Men who assisted the post in the funeral services Sunday.

Remember Big Meeting of Post tonight. A good time for all, even the new members. We will make it worth your while to come.

Thru a ruling of National Headquarters we will accept new members beginning October 1st, for three dollars which will pay their dues till December 31, 1922.

If you have any compensation claims pending that you have not heard from, write me a letter giving complete details.

### Des Arc Items.

We were sorry to hear of the death of our old friend, W. R. Edgar. I met him on the street in Ironton Monday about ten o'clock and I mentioned to him how well he was looking, not thinking it would be the last time I would ever see him. He had many friends. He thought so much of our people and used to say that if it was not for Des Arc this county would go Republican. May God bless and protect his family!

We are going to lose Wm. T. Stevenson and his estimable family. He has bought the Supply Store from C. W. Chilton in Williamsville. Mr. Chilton will go west for his health. Mr. Stevenson will rent or sell his home in Des Arc.

The dirt roads are getting bad. After this month "joy riding" will be a thing of the past.

Miss Jessie Huff, our school teacher, spent Sunday in Piedmont.

R. I. Stamp and Rev. Joseph Jones attended the Methodist Conference at Kennett.

Rev. Wm. Seals filled his regular appointment here Sunday as pastor.

Our Baptist church here wants a pastor.

Judge Schmidt and wife are still in St. Louis. She is taking treatment.

John Reed is home from Flat River. His wife is sick with heart trouble.

Perry Reed's wife is under treatment for her throat. She goes to see a specialist at Piedmont every week.

John Nation, our lumber inspector, is working for the O. & A. railroad, and is on the Missouri Southern this week. He was home Sunday.

I don't wonder that the Missouri Pacific Railroad is hard up. They ship ties from Little Rock, Arkansas, for the Des Arc sidetracks.

I understand that our friend, Green Brooks, has moved to Farmington. He ought to have a house on wheels for he moves every three or four months.

A. Z. Kinder and wife motored to Piedmont Sunday.

Several from here are attending court in Ironton this week.

John Ruble and wife spent Sunday with her parents at Annapolis.

Oil Stevenson has bought out Green Brooks' store at Sabula and has moved his family there.

Fred Kendrick was in Ironton last week to see the equalization board. He claims his taxes are too high.

### Annapolis News.

Heavy rain and lots of thunder and lightning last Thursday night. Big Creek has been so high that you can not cross on foot.

Thos. P. Fitz of Des Arc was here Thursday. He got a good wetting on the way here. Mr. Fitz is very active for a man of his age.

There is talk of shutting off the tie business in Annapolis. It will make it hard for many people of this vicinity, but it will be good enough for all who signed that petition against forced trade, as no one was forced to haul ties or props.

Sam Moss has bought Clarence Buxton's saw mill in Annapolis and is cleaning it up and putting it in condition to run.

Big meeting and baptizing at the Sutton church house, near Vulcan, today (Sunday). Mrs. Ava Loyd is to be baptized and married today.

Our Assessor, Wm. H. Blue, was in Annapolis last week closing up his work for this year.

Fayette Goodman passed through Annapolis this morning on his way to Bear Branch.

Mrs. Mattie Bell Simpson of St. Louis, a former resident, is visiting in Annapolis.

E. H. Sawyer, of Rhoadhouse, Ill., is in Annapolis looking after his farming interests and timber.

Mrs. Richard Loyd is very sick with pneumonia fever.

Watch Your Tax Receipts.

(Caruthersville Democrat.)

A deal was made for the real estate in this city a few days ago as a result of which the big increase in taxes under the present state administration is forcibly brought to attention.

Ed. Davis, Jr., purchased a lot on East Fifteenth street, with a small house thereon, from I. G. Massey, and although we are not informed as to the purchase price, this really does not enter into the consideration.

Before the deal was closed the interested parties naturally desired that the matter of unpaid taxes be cleared up, the tax for 1920 not yet having been paid. Although the city tax books for this year have not been turned over to Collector Warden, yet they have been made up and the deal involved the payment of this year's city taxes, so this amount was determined along with that of last year.

Comparison shows that the city taxes on the property for 1919 were \$3.75, for 1920, \$4.13, and for this year an even \$10.00, an increase of 142 per cent. The figures for property valuation are taken from those placed by the State Board of Equalization, the

city having no choice in the matter other than to reduce the rate, and this has been done this year, the reduction being from \$1.25 to \$1.00. Had this rate not been reduced the tax on this particular parcel of real estate would have been \$12.25 which gives a relative showing as to the amount of taxes under Republican and Democratic state administration.

## Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

## CARDUI

The Woman's Tonic

... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.
